(1) Distribution rate is based on July 31, 2026 closing market price. Source: LSEG Workspace.

(2) No distributions will be paid on the Class A Shares if (i) the distributions payable on the Preferred Shares are in arrears, or (ii) in respect of a cash distribution, after the payment of a cash distribution by the Company the NAV per Unit would be less than $15.00.

(3) Subject to the extension of the term for periods of up to five years as determined by the board of directors. The announcement of any extension will be made by news release at least 60 days prior to the then current termination date.

(4) Totals may not equal 100% due to rounding.

(5) Returns are for the periods ended July 31, 2026 and are unaudited. Inception date April 18, 2007. The table shows the past performance of the Fund. Past performance does not necessarily indicate how the Fund will perform in the future. The information shown is based on Net Asset Value per Class A share and per unit, or the redemption price per Preferred share and assumes that distributions made by the Fund on the Class A shares, Preferred shares and units in the periods shown were reinvested (at Net Asset Value per Class A share and per unit, or the redemption price per Preferred share) in additional Class A shares, units and Preferred shares of the Fund.

You will usually pay brokerage fees to your dealer if you purchase or sell shares of the Fund on the Toronto Stock Exchange or other alternative Canadian trading system (an "exchange"). If the shares are purchased or sold on an exchange, investors may pay more than the current net asset value when buying shares of the investment fund and may receive less than the current net asset value when selling them.

There are ongoing fees and expenses associated with owning shares of an investment fund. An investment fund must prepare disclosure documents that contain key information about the Fund. You can find more detailed information about the Fund in the public filings available at www.sedarplus.ca. The indicated rates of return are the historical annual compounded total returns including changes in share value and reinvestment of all distributions and do not take into account certain fees such as redemption costs or income taxes payable by any securityholder that would have reduced returns. Investment funds are not guaranteed, their values change frequently and past performance may not be repeated.
